User App Manual Guide

 For live streaming of our Milk Processing Unit, download gDMSS Lite (Android) from Playore & iDMSS (iOS) from Appstore.

Step by Step Instructions:

1. Open iDMSS/gDMSS on the phone, and select the **Menu** icon on the top left side.
2. Select **“Device Manager”**.
3. Select the **“+”Add Icon** to add the device.
4. Select **“Camera”**.
5. Select **“Wired Device”**.
6. Select **“P2P”**
7. Fill the following fields:
 - **Name:** gir gold (by default)
 - **SN:** 3E00CC2PAZRP868 (by default)
 - **Username:** guest
 - **Pws:** guest1
 - **Live Preview:** Main, then select **Start Live Preview**.
